

Gaston All American Fair

Military Appreciation Day

June 21, 2020

The All American Fair is proud to be a Vietnam Veterans Commemorative Partner for the 5th year. We will once again be proudly honoring our Vietnam Veterans with a special commemorative pin issued by the United State Department of Defense.

For 2020 we are extremely proud to introduce the All American Fair Commemorative Veteran pin which will be part of this year's ceremony. We felt it was extremely important to honor ALL veterans that have fought for our country and we are honored to be able to issue and present this Commemorative pin of appreciation. This pin will be awarded to ALL veterans of any branch of the military and for any time given to the country as service in our military. The 2020 military appreciation day will include a motorcycle show fundraiser, Vietnam Veteran Pinning ceremony , All American Veteran Pinning Ceremony, music, military family ride discounts, food discounts, giveaways and more. This year's recipient of the funds will be the American Red cross Veterans Outreach Program.

How can you be a part of this day? We are seeking one financial corporate sponsor to help cover costs for giveaways, promotion, pin design, etc. The fair will offer you a space (of your needs) to set up a company booth or display for staff and/or products, include your name/logo on the promotional items including all our social media advertisements, and a speaking spot for brief comments during the ceremony. Best of all, and most important, your logo will be displayed on our Inaugural All American Veteran Pin for 2020. It will be seen by the public as Veterans proudly display their pin and your support of our nation's military. Please see the next page for an example of the inaugural pin.

The cost to sponsor this day is \$1200.00. We hope that we can include you into our sponsor family and join us in showing appreciation and gratitude to our men and women that have sacrificed for our freedom.
